School Division Oppose Proposed County System

The following is a letter received from the Olds School Division, addressed to the editor. We quote: "A special meeting of the Board of Trustees of the Olds School Division was held at 2 p.m. on Wednesday, March 11th, 1959 in the Divisional office in Didsbury. This meeting was called to consider the Board's position with respect to the application for county status made by the Council of the Municipal District of Mountain View.

"Present at the meeting were Mr. T. Morris, Chairman, Mr. G. Z. H. Van Haften, vice-chairman, Wm. Richards, A. Weir, E. Turner and R. C. Rankin (all divisional trustees) and Mr. J. B. Ludick, secretary-treasurer.

"After a lengthy discussion it was decided to send a letter of protest to the Minister of Municipal Affairs and to the Minister of Education, with a copy to the Municipal District of Mountain View. Text of this letter is as follows: "Re: Application For County System

"We understand that application for county status has been made by the Council of the Municipal District of Mountain View No. 49 on February 10th, 1959.

"The Board of Olds School Division is against this change for the following reasons:

(1) Too many large bodies of electors would be disenfranchised with respect to school affairs within the area of a county here.

(2) We doubt the sincerity of the members of the Council when they availed the question of a county system at the annual meeting held February 21st — 11 days after the application was made.

"We regret that until this time we have not received official notice that the application has been made. Your very truly, T. Morris, Chairman, Olds School Division No. 31

MOUNTAIN VIEW

(From Our Own Correspondent)

Mr. and Mrs. Wm. Loader and Mr. and Mrs. Hugo Sylvester were Sunday visitors with Mr. Frank Gooding and Mrs. A. J. Miller. Miss Marlene Miller of Calgary was a weekend visitor with her parents Mr. and Mrs. Emil Miller. Mrs. Loyal Snyder and Murray returned recently following a visit with the former's relatives and friends in Ontario.

Mr. and Mrs. George Clarke and family were Sunday afternoon visitors with Mr. and Mrs. Lawrence Hunter and family.

Mountain View Hall will be the scene of a double shower on Saturday afternoon, March 21st in honor of Miss Doreen Reese and Miss Fern McMann. Everyone is welcome.

Mr. and Mrs. Neil Mackay and Helen and Mrs. Charles Snyder, Linda and Darryl Snyder motored to Calgary Friday evening to see the Ice Stampede. Harvey Mackay was in the color party and Bruce Snyder was with the Cub chuck-wagon team. They returned with the former.

Art Exhibit Termed Most Successful

The Sixth Annual Art Exhibit, sponsored by the Ladies' Auxiliary of the Didsbury Canadian Legion, was held in the Lions hall last Saturday. While the exhibits were the smallest on record, the show turned out to be the most successful since the advent of the event.

The hobby show, held in conjunction, brought out an excellent exhibit, which included copper tool, needlework and some very fine wood carvings.

The picture judged most popular by the people attending was a pastel by Mrs. Clarence Rinehart of Didsbury.

Miss Diane Miller of Didsbury won the pastel painting which was drawn for at the close of the afternoon.

RIVETS . . .

School Variety Concert Scheduled For Friday

More than 400 town and district students will take part in a Variety Concert in the school auditorium on Friday night. The big show will hit the stage at 8 p.m. and it is predicted that a sell-out crowd will be looking on.

Plan to attend — you'll enjoy seeing the students in action in their many varied routines and the colorful costumes that will be on display.

SPRINGSIDE NOTES

(From Our Own Correspondent)

Sunday dinner guests of Mr. and Mrs. Lawrence Chandler were Mr. and Mrs. H. Morton and family, Mr. and Mrs. Tobler and girls, Mr. and Mrs. A. Jackson and boys.

The last card party at the centre was well attended with nine tables in play. Top winners were Mr. Brinson and Mrs. Irma Roeh, consolation winners were Mrs. Kossow and Mr. B. Morton. Travelling prize was won by Jim Peterson.

Next card party will be on Friday night, March 20th.

At the last group meeting of the Springside Ladies Group, it was decided to serve lunch at the Rodney sale on March 26th.

Mrs. M. Rodney accompanied Mr. and Mrs. C. Wells of Edmonton to Creston B.C. last week, where they visited with friends and relatives.

Next Ladies Group meeting will be held at the home of Mrs. C. Roeh. Don't forget to bring your old Christmas cards.

We are glad to hear that Mrs. Joyce Wrigglesworth is home again after a stay in the hospital.

A shower for Miss Doreen Reese will be held at the Springside school on Saturday night, March 21st.

Last Saturday the local Carstairs-Didsbury dairy club met at the home of Mr. and Mrs. Bill Morton, with an almost perfect attendance being recorded. The holding of a barbecue this summer was discussed as a means of raising money.

South West Didsbury

(From Our Own Correspondent)

Mr. and Mrs. Gordon Weber, Mr. and Mrs. Donald Weber, Mr. and Mrs. Cecil Weber motored to Calgary on Sunday to visit Mr. and Mrs. Ernie Good and family.

Recent overnight guests with Mr. and Mrs. Lynn Hunsperger and family were Mr. and Mrs. R. Ratzloff and Miss Edith Hunsperger of Edmonton; Miss Dorothy Shantz of Calgary and Miss Grace Hunsperger of Carstairs.

Mr. and Mrs. H. W. Folkmann and family, Mr. and Mrs. Fred Befus and family were Friday evening guests of Mr. and Mrs. Ez Dippel.

Mr. and Mrs. Jack Edwards and son were Sunday visitors of Mr. and Mrs. G. Bales of Cremona.

HMCS Gatineau for which commissioning ceremonies were held recently at Halifax. The destroyer escort vessel, built at Davis Ship-

building Ltd., Lauzon, Quebec was then turned over to the navy. Her

skipper is Captain H. L. Quinn. (C. P. Photo)

Fish and Game Banquet Here Saturday

Plans for the annual Didsbury and District Fish and Game Association banquet have now been finalized. Guest speaker for the evening will be Mr. C. P. Smith, director of wild life, from the game branch at Edmonton.

The supper will start at 6:45 p.m. in the school auditorium and the public is cordially invited. Tickets are on sale at Campbell's Food Store, Slippi's Drug Store and McDonald's Men's Wear.

Any person selling raffle tickets are asked to turn them in to Ray Campbell before noon, March 21.

SHOWER HELD FOR MARCH BRIDE

A miscellaneous shower was held at the home of Mr. and Mrs. Walter Snyder on Thursday, February 26, in honor of bride-elect, Miss Teresa Braley.

The evening was an enjoyable one, featuring several games and contests, conducted by Joyce Traub and Grace Eby. Miss Carolyn Snyder presented the guest of honor with a nicely decorated basket containing many useful and beautiful gifts. The bride-to-be graciously thanked all those responsible for the gifts and good wishes.

AT THE DIDSBURY MUNICIPAL HOSPITAL

To Mr. and Mrs. J. Sayers of Carstairs, on March 18th, a daughter.

Harmattan News

(From Our Own Correspondent)

Mr. and Mrs. Otto Polkmann of Westcott were Sunday visitors with Mr. and Mrs. Tony Spooner.

Mr. and Mrs. Jim Jackson, Miss Evelyn Epperson, Ken Turnbull and Tony Poebes were weekend visitors with Mr. and Mrs. Leonard Turnbull and Mr. and Mrs. Bill Johnson in Calgary.

Mr. Jack Bausard left last week to fly to Oslo, Norway, to visit with his folks, who he hasn't seen in 30 years. While he is away Bill Wiper will be doing the chores.

St. George's W.A. met last Wednesday at the home of Mrs. Dave Morgan for its March meeting. It was decided to have a showing of films in April. Sewing was finished up for the Dorcas.

Mr. and Mrs. Don Blore have their trailer at the home of Mr. and Mrs. Jean Conrad.

Mr. Bill Persinger of Calgary called at the home of Mr. and Mrs. M. Knights on Saturday.

The Hall Club will hold a dance at the hall on Friday, March 20th; Allen's orchestra.

WEST NOTES

(From Our Own Correspondent)

Mr. Claire Crosby is again a patient in the Didsbury hospital.

Mr. and Mrs. Ira Scott spent Sunday afternoon with Mr. and Mrs. C. Russell.

Mr. O. Krebs entertained at a card party on Monday evening at the home of Mrs. A. L. Hogg.

Those present were Mr. and Mrs. J. Parshaw, Mr. and Mrs. A. L. Hogg, Mr. and Mrs. Alfred Cowitz, Mr. and Mrs. W. Rieby, Mrs. Jacobson and Mr. and Mrs. L. Krebs.

Mr. Gordon Befus left for Innisfail on Monday where he will work at an elevator for the next three months, before being posted.

We are sorry to see our lineman go and wish success to Mr. Leonard P. who will take over.

Miss Lillian Hoesgood was a Calgary visitor over the week-end.

The Elton Willing Workers held their March meeting, Wednesday last at the home of Mrs. A. L. Hogg, with almost a perfect attendance.

Mrs. Arnold Blain showed those interested members how to make foam flowers and dress dolls in foam; others knitted. It was decided to send \$20. to the Cancer fund and to hold the rest of the money made at bongo, until the situation is clarified in Didsbury as to the fate of the United Appeal.

It was also decided to pay the \$6.25 as our share to the film board and \$2. as memberships on the Red Room board.

A military whist party is planned for Thursday, March 26th in the school. The next meeting will be held at the home of Mrs. J. Gillies on April 8th, when a comforter will be quilted for the Red Cross.

Members of the Cremona Legion entertained the ladies to a very enjoyable party last Wednesday evening, as a house warming to the new addition to their hall.

Mr. and Mrs. L. Krebs entertained friends of their twin sons on Saturday evening, in honor of their 12th birthday.

Ramblers Move Ahead In League Play-off Fixtures

At the time of writing Didsbury Ramblers hold a one-game bulge over Olds in their quest for retention of the Chinook Hockey League trophy. The locals defeated Red Deer in the semi-finals; Olds put footsies on the sleds. All games so far in the finals have been played in Didsbury.

Olds won the first game on Wednesday last week by a 5-4 count. Ramblers blew an early first-period (two-goal lead, recovered to lead 3-2, but were sent to the showers in

the late stages when the visitors' power plays paid off. Even pulling the goalie didn't help in this case.

On Saturday the locals earned some revenge when they tied the series with a 3-3 win.

Ramblers led 3-1 at the end of the first; the sandwich session ended with the score standing at 3-2, but Olds roared back in the final canto tie the game at 3-3. Only a late goal pulled this one out of the fire.

Lamp-lighters for Didsbury were B. Neufeld with two, Shantz, M. McCoy, Devine and Morgan with single counters. Assistants went to B. Neufeld (2), Devine (2), M. McCoy (2), L. Neufeld and Irwin.

In a crucial game Monday night Ramblers again showed their power when they pulled one of those come-from-behind efforts to take a 6-4 verdict.

Trailing 4-1 at the end of the first period, they closed the gap with one goal in the second, and came out in the finale to rap home four unanswered counters, to put them one game up in their "race for the roses."

Devine blinked the light twice for Didsbury, L. Neufeld duplicated

CREMONA NEWS

(From Our Own Correspondent)

Mrs. Charles Franklin attended the funeral of her brother-in-law, Mr. Lou Mattice, at Cranbrook, B.C. on March 4th. Mr. Mattice, who at one time resided in this district, passed away on March 1st. Other friends who attended the funeral from this vicinity were Mr. and Mrs. Charles Reid and Mrs. Faye Stone.

The 6-monthly meeting of the Sewing Circle was held at the home of Mrs. Lee Sanderman on March 11th.

The Credit Unions office is extending its business hours; the office is to be open on Monday afternoons from 2 to 4 p.m., as well as on Wednesdays.

Mrs. B. B. Reid is hospitalized in Didsbury and expects to be there for at least two weeks.

Reg Johnston is cutting brush with a large cutter on his dad's farm in the district.

Mrs. D. McBain, Donna and Bernice, Mrs. E. Casebeer and Deryl Mork, called on Mrs. L. Knox last Wednesday afternoon.

Mr. and Mrs. J. H. Lane and family visited with the Bucher family last weekend.

LOCAL OLD-TIMERS ENJOY FAMILY GATHERING

Mr. and Mrs. E. M. Nelson were pleasantly surprised on Thursday evening, March 12. Their family of six children, 11 grandchildren and two great-grandchildren arrived at their home with all the food necessary for a complete banquet.

The occasion for the big celebration was Mr. Nelson's birthday. Following the dinner a beautifully decorated birthday cake, resplendent with candles, was enjoyed by the family.

Mr. and Mrs. Nelson came to Didsbury in 1929 from Minnesota and have lived in this district since that time. They will celebrate 50 golden years of marriage next January.

FIFTH GAME ???

Should a fifth and deciding game be necessary in the Didsbury-Olds Chinook League final series, it will probably be played this week. If so is not available here the game may be scheduled for Red Deer.

WESTCOTT SR. W.I.
DONATE TO REST ROOM

Westcott Sr. W.I. met at the home of Mrs. Tittsworth when \$15. was devoted to the maintenance fund of the rest room in Didsbury. Cancer receipt books will be in the hands of the members or the secretary for the convenience of any person wishing to donate to the Cancer Fund. Mrs. H. Goetjen gave a report of her time spent at the Cancer Workshop held in Calgary.

Results of the fancy cookie contest were: first to Mrs. Ed Klink, Mrs. Klink Sr. and Mrs. Baudistel. In the bread contest, first went to Mrs. Jack Robertson, second to Mrs. H. Goetjen.

Mrs. Cliff Ekestrand gave a demonstration on putting in a zipper as her handcraft item, and Mrs. Levisood collected Red Cross sewing.

LIGHT YOUR WAY ...

... WITH BIBLE STUDY

Mohammedans pray five times, at certain hours of the day. Whether they be in company or out shopping, when the call hour arrives, they turn their faces toward Mecca and speak their orison to Allah and His prophet.

The Christian religion does not bind us to any specific place or time when we ought to pray. Rather it enjoins Christians: "Pray without ceasing." Our whole life is to be one of prayer, for in all things, at all times we are dependent of God. Naturally there are times better suited than others when we should pray. In the morning for His protection during the night; in the evening for His help through the day; at meal for His abundant blessings. And then at the various other times in the day when we wish to talk to God.

Also scripture does not prescribe specific places where we must pray. We may, as He tells us: "I will therefore that men pray everywhere." Now there are some places better suited than others. If we wish to discuss a private matter with God, it may be best to do so in our own room. Again, we may want to join our voices to those of our fellow Christians. The Church is the place where we can do that. Or, as we enter the car for a trip, even if only for a block or two, we can also ask God to be with us.

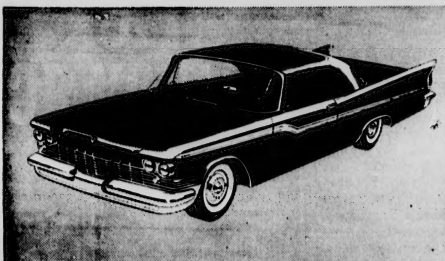

When Stonewall Jackson was asked to give his understanding on this matter, he stated: "I have so fixed habit in my own mind that I never take a glass of water to my lips without lifting my heart to God in thanks and prayer for the water of life. Then, when we take our meals, there is grace. Whenever I drop a letter to the post office, I send a petition along with it for God's blessing upon its mission and the person to whom it is sent. When I break the seal of a letter just received, I stop to ask God to prepare me for its contents and make it a messenger of good. When I go to my class-room and wait the cadets, that is the time when I intercede with God for them. And so in every act of the day I have made the practice of prayer habitual." Yes, an example that we all might well follow.

All three...all new...

AND ONE JUST RIGHT FOR YOU!

CHRYSLER ... Wonderful Windsor •
Superb Saratoga • Exquisite New Yorker

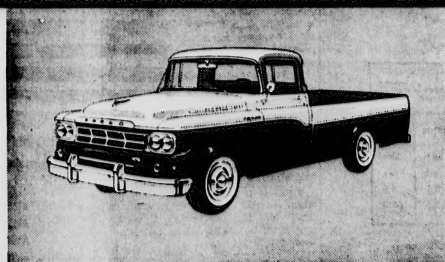

Now, with the new medium-priced Windsor, there's a Chrysler model to suit almost every new-car buyer. And every Chrysler offers you the ultimate in its particular price class ... The unrivalled driving ease of push-button automatic Torque-Flite transmission, push-button heating controls, swing-out swivel front seats, the superb roadability and comfort of the industry's most advanced suspension system. And on the Saratoga or New Yorker you may have new Auto-Pilot, for effortless mastery of that big V-8 power.

PLYMOUTH ... lively, lovely,
new all over!

Look inside, outside, wherever, Plymouth '59 is really new, really different! It brings you features other cars wish they had. New, trend-setting swivel front seats, for instance. Newly improved, smoother-than-ever Torsion-AIRE Ride. New advanced-design "313" V-8 or Econo-Jet 6 engine. New push-button heating-defrosting system. And the marvelous convenience of push-button automatic drive. In every way, if it's new Plymouth's got it!

FARGO TRUCKS ... New Sweptline
styling for 1959!

You'll haul more, and look better doing it, in a Fargo Sweptline pick-up for '59! You can choose from three wheelbases, three body sizes, and each holds the most by volume, weight and load length of any pick-up in the industry. Fargo brings you more new features, too, new suspended brake and clutch pedals; new hydraulically actuated clutch; new bigger brakes, to mention just a few. Whatever your job requires, from 4,250 lbs. G.V.W. to 65,000 lbs. G.C.W., there's a Fargo truck to do it best!

TAKE YOUR PICK...TAKE A REVEALING DEMONSTRATION DRIVE TODAY!

County System On The Way ???

The Municipal District of Mountain View has applied to the provincial government for county status. The board of the Olds School Division are very much against the move, as you will note in a letter published elsewhere in this edition. If our information is correct, there are 12 such systems in the province at the present time and at last reports all were operating under sunny skies. We fail to see why or where anyone would be disenfranchised under the new deal; we can't see how the parcel plan won't work as well here as it has done in other parts of the province; we can't see the point in opposing a scheme that has been accepted where the switch has been made; how many of you are saying we just can't see?

Just A Reminder . . .

We have to be right sometime . . . we predicted in this column last week that the farmers' "raid" on Ottawa would be a lost cause; we suggested that the people's friend, "Die!", would be a wee bit deaf to the proposals put forward. "Die!" supported our prediction all the way. No doubt the delegates spent a few greenbacks for their "vacation tour" but we're told a good number of them didn't care for rail travel, saved a few pennies out of the pouch, and were able to drive new cars home. Could be "Die!" was deaf at the right time — maybe he was tuned in on his banker's channel (something to do with a large governmental overdraft); maybe he should stay on the right side of that fella, the one who counts the blue chips; you and I are part of the system.

So True, So True, So True . . .

The following is a wee piece we borrowed from a column written by Art Evans in the Calgary Herald. We quote: "Sometimes friends say columnists are living in a berrypatch. Nothing to do but bash of an article and school's out for the day. This evaluation used to make me mad but I'm wiser now and more mellow. I simply offer the knockers my typewriter and promise to pay their salary for a week. So far no-one has accepted the invitation to be my guest."

As for this writer, we can't say we've become more mellow, could be the opposite, but our typewriter is open anytime anyone cares to tickle the dominoes. That part about salary could cause some confusion — we haven't checked the bank balance recently.

Quotable Quote . . .

"So far science has not figured out how a man can tell what a woman is thinking by listening to what she's saying."

NOW... SWIFT BRINGS YOU THE NEW

SHAVER STARCROSS 288

It leads all competitors!
Just look at these figures:

| SHAVER STARCROSS 288 won first place in the 1958 Canadian Central Random Test | |
|--|--------------|
| | TEST AVERAGE |
| Net Income over Chick and Feed Costs..... | \$2.09 |
| Average egg production per chick started (reckoned to 500 days of age on 110 pullets)..... | 197 233 |
| Percent Mortality from 7 days to 500 days of age..... | 8.1 5.1 |
| Lbs. of feed per dozen eggs..... | 5.1 4.3 |
| Percentage of all eggs laid grading large..... | 59.6 63.9 |

The SHAVER STARCROSS 288 was also Top Quartile Pen in the 1958 Missouri Random Test . . . and Shaver has been the leader for the first three years of the Central Test in Ottawa. Your Swift hatcheryman can show you the figures from these tests.

OTTAWA REPORT

By E. M. WOOLLIAMS, M.P.

The farmer delegation from the prairies has come to Ottawa and has now left for home.

It has been agreed without any reservations from all members of parliament that the briefs presented by the delegation were well prepared and delivered. Such briefs were presented to the cabinet and to the prime minister, with all the western members present, by Mr. Weson, president of the Saskatchewan Wheat Pool, he being the main spokesman. It took him one hour to read the brief.

Other briefs were presented on behalf of point of view of farmer's wife, farm youth, labor, and even the clergy. Written copies of the brief were received by the prime minister and his cabinet just prior to the presentation so that no previous examination by the prime minister or his cabinet was possible.

All the farmers of the prairies can be satisfied that the whole delegation conducted itself with a serious purpose and this fact, together with the careful presentation of the arguments, left an excellent impression on the members of parliament in the east. This is important because the prairies, like any other part of Canada, must rely on the East for support, just as the East must rely on the West for support for the implementation of any program. After all, any cheap politician can suggest that it is possible to form a government in Canada without Eastern support but that is a political science untruth. Any political party must have support in the East. It is an expedient that cannot be denied.

I think one question that was overlooked by spokesmen for the farmers and also the political sympathizers and opponents was just "where is the money coming from?"

The payment of any form of deficiency payments to the farmers will require a greater deficit. What effect on the general economy and the country will this have? Would a larger deficit increase inflation?

Canada's treasury is like that of an individual. Money is obtained either by loans or revenue. The country can have an overdraft just like an individual. The country must under such circumstances cut expenses like an individual when he finds himself short of money.

My guess is that these questions will be very carefully considered by the cabinet before they arrive at a decision. I would appreciate comments from any farmer in my constituency.

Notes From D.A.

By HOWARD FULCHER
District Agriculturist

Mercuric seed disinfectants are effective in control of covered smut. This is the smut which appears as dust at harvest time. The smut spores are carried on the kernel and complete treatment with recognized mercuric compound seed disinfectants will kill these spores.

Another smut which is quite common, especially in a number of barley varieties, is loose smut. The above mentioned treatment or formaldehyde does not control this form of smut. The reason for this is that the spores are not carried on the outside of the kernel. Loose smut is first noticed in the standing crop at heading time. A head emerges from the boot as a mass of black loose smut; these spores blow from the infected head, leaving a bare stock. The spores blown away lodge in the healthy grain heads at flowering time; these infected kernels develop normally, carrying the spore inside. When these infected kernels are sown the following spring the plant which results will have been infected and more loose smut heads are produced.

The methods of control for loose smut are hot water or water sporegon treatment. The hot water treatment is not used extensively, as it requires accurate high temperatures and the time element is very important.

In the water sporegon treatment the grain is soaked for 10 hours at room temperature 70 deg. F. The water is then drawn off and the grain is soaked for 48 hours in a mixture of 3 ounces sporegon 6L to 10 gallons of water. The grain is then spread out to partially dry and sown within two days.

This is a program of treating which could be carried out in small lots for production of smut-free seed, but is of course not practical for large lots.

Squirrel Cage . . .

WHOSE RIGHT ???

Joe: "I know a man who has been married for 30 years and he spends every evening at home."

Jane: "That's what I would call love."

Joe: "The doctor called it paralysis!"

Red Cross Name Contest Winners

More than 250 high school students in Alberta submitted entries in the Red Cross Blood Transfusion Service caricature and naming contest launched early in the year by the Alberta Division C.R.C.S. Prizes of \$50. for the best caricature and \$25. for the best name identifying the Blood Transfusion Service were donated by the Alberta Weekly Newspaper Association.

A panel of four judges chose the caricature submitted by Roger Andersen, of Calgary, as the best entry.

Roger is 19 years old and a grade

12 student at Western Canada High School. A native of Calgary he hopes to make commercial art his career.

The best name entered for the caricature was "Happy Hemo" submitted by Garry Miller, Strathcona Composite student in Edmonton. Given Honorable Mention in this department were: Carolyn Baenik of Milk River with "Danny the Doner" and Lauraine Olson of Coultas with "Percy Plasma."

REGINA WINNIPEG CALGARY

HOW FERTILIZER BOOSTS

your
PROFITS
from
CATTLE!

YOU CAN MAKE UP TO \$32.00 PER ACRE MORE

Test work on the Prairies has shown that increased forage yields from pasture and hayland can easily be obtained with the use of commercial fertilizer. By applying fertilizer at recommended rates, yields could be doubled; 150 lbs. per acre of Nitraprills (Ammonium Nitrate -33.5-0-0) could bring an increase

of 1 ton of dry hay per acre. Corresponding increases could also be realized from fertilizing pasture.

In the table below, note that the increased return figure takes the cost of fertilizer into consideration. An increased return of \$32.00 per acre is certainly worthwhile.

Fertilizer per acre 150 lbs. Nitraprills (Cost \$6.00)
Increased forage yield per acre (dry hay basis) 1 Ton
Additional Beef Produced 200 lbs. (Worth \$38.00)
YOUR INCREASED RETURN PER ACRE \$32.00

Your net profit per acre — your profit after you've deducted the cost of growing the crop — gets a real boost from Elephant Brand Fertilizer! This applies to any crop — any soil. Your Elephant Brand dealer is shown below. Contact him today!

Special Services At
Redeemer Lutheran

During Holy Week, Redeemer Lutheran Church, has arranged a number of special services to which it invites all its members and also the many friends in the community.

On Wednesday, March 25, the choir of Jehovah Lutheran Church, Calgary, will present the Easter Cantata "The Crucifixion" by Sir John Stainer. The service will begin at 8:00 o'clock in the evening.

For Good Friday, March 27th, a special service has been arranged by the Pastor based on the ancient Tre-Ore Service of the Christian Church. Usually this service is held on Good Friday from 12 noon till 3:00 o'clock in the afternoon.

However, on the basis of a service outlined by Dr. W. E. Busin, professor of Concordia College, St. Louis, Missouri, Pastor Fox has adapted this service for the morning service on Good Friday. The service will begin at 10:30 a.m. The entire service will have the title "God's Own Sacrifice Complete," taken from James Montgomery's famous hymn "Go to Dark Gethsemane." It will feature the Seven Words of Jesus on the cross, with the children of the congregation joining the words our Savior spoke.

We would invite you to come along to Calvary on Good Friday at 10:30 a.m.

On Easter Sunday, March 29, Redeemer will observe the Resurrection of our Lord and Savior from the grave. His resurrection is the basis of our joy. Therefore it is natural that we wish to join our fellow Christians on this, the greatest day in the Church year, to give thanks to God for His Gift and to be strengthened in our faith. The service on Easter Day will also begin at 10:30 a.m.

WEDDINGS

NICHOL — PAPKE

A very pretty twilight ceremony was performed recently in the United Church at Sundre, when Marjorie Rhetta, only daughter of Mr. and Mrs. Wilbert Papke of Big Prairie, and Walter Bruce, son of Mr. and Mrs. Walter Nichol of Sundre, were united in marriage. Rev. K. Wood officiated.

The bride, given in marriage by her father, looked lovely in a white nylon and lace gown, simply styled in the long torso style with deep insets of lace. Her fingertip veil, misted from a sweetheart coronet, styled head-dress, she carried a small white Bible on which was poised a beautifully shaded orchid surrounded by small bows and satin streamers.

Waist-length chiffon gowns and head-dresses in taupe, gold and shrimp colors were worn by the

three attendants. Maid of honor was the groom's sister, Mrs. Joyce Denham of Calgary; bridesmaids were cousins of the bride, Miss Gloria-Jean Stevenson of Sundre and Miss Darlene Zang of Calgary.

Mr. Jack Nichol, brother of the groom, was best man, ushers were Mr. John Denham of Calgary and Mr. Jack Davidson of Sundre. Mrs. Herbert Goetjen, aunt of the bride sang the "Wedding Prayer" and "Bless This House" during the ceremony. Mrs. Wood was organist for the occasion.

A reception followed in the Legion hall with 85 guests in attendance. Mr. Howard Molness of Edmonton acted as master of ceremonies.

Mr. Ken Papke of Calgary proposed the toast to the bride.

Mr. and Mrs. Nichol left on a honeymoon trip to Spokane and other U.S. points. On their return they will take up residence in the Water Valley district.

SERVICE
BOARD
NOTES
— By —
W. H. SUTHER
Agricultural
Service Board

TREES: As we approach the spring season, some people are beginning to think about a tree planting program. I have already taken quite a few orders for trees for 1960 planting. The orders for next year's trees should be in by March 31st. You can then be well assured that your trees will be ready for you next year when you wish to plant them.

The requirements regarding these trees are simply that you have summer-foliated the ground thoroughly for at least one year and that all grass growth as well as perennial weeds have been completely eradicated. The plots that are selected by yourself on which to plant these trees are subject to inspection in the fall by myself to make sure the ground has been well prepared and is suitable to receive the trees the following spring.

The pre-requisite of a fall inspection has been called for by the Department of Agriculture to make sure that all applications are sincere and that they have the ground in a satisfactory state of cultivation.

We wish you to order trees for next year and I want to take your application for them; plan to do this before the end of this month.

- ✓ Increases germination
- ✓ Stops smut
- ✓ Free-flowing
- ✓ Improves grades
- ✓ Helps check root rot
- ✓ Practically odorless

A Vital Free Service . . .

The work of the Canadian Red Cross Society covers many essential services and programs for citizens throughout our province and nation and for the less fortunate in other lands.

Here in Alberta one of the best known activities is the Canadian Red Cross Free Blood Transfusion Service. This is a postwar development of the Canadian Red Cross and has been in operation since 1947.

It is impossible to estimate the number of lives saved by this one Red Cross service but everyone of us can point out members of our families, our friends and our neighbours who thank the Red Cross every day because blood was available for transfusion therapy at a critical time in their lives.

Red Cross statistics reveal that more than 16,380 patients have received one or more free transfusions of whole blood and blood products in Alberta this year. Operation of the Blood Transfusion Service is an expensive one and every year approximately \$49,000 of the provincial Red Cross budget of

**YOU ARE THERE
THROUGH YOUR
CANADIAN
RED CROSS**

slightly over \$150,000 is required to carry on this essential service. The saving to Canadians every year in this one Red Cross service is considerably higher than the complete annual budget of the Society.

Generous financial support and the willingness of Canadians everywhere to share their good health has made the Red Cross Blood Transfusion Service a most efficient operation. It is recognized by medical experts as the finest in this world. Through its pioneering in this vital service the Canadian Red Cross Society has helped to make Canada a healthier nation.

The operation of a coast-to-coast service also contributes to medical research and the laboratories of the Red Cross are making an important contribution to mankind. Another service but little-known phase of the Red Cross Blood Transfusion Service is the provision of a free Rh investigation service for expectant mothers. Last year Red Cross laboratories in Alberta conducted over 39,000 clinical tests of blood specimens submitted by doctors in this province.

The Canadian Red Cross Blood Transfusion Service will be responsible for saving many more lives during the coming year. This is an important service for every Canadian and we must give our financial support to make sure that the Canadian Red Cross will be able to meet every demand in the operation of the Free Blood Transfusion Service. Our dollars will back up those citizens who are regular blood donors.

GEMS OF THOUGHT

To be the recipient of affection is a potent cause of happiness, but the man who demands affection is not the man upon whom it is bestowed.

— Bertrand Russell

Talk not of wasted affection; affection never was wasted.

— Henry Wadsworth Longfellow

Happy is he the palace of whose affection is founded on virtue, walled with riches, glazed with beauty, and roofed with honour.

— Francis Quarles

ANOTHER CHUCKLE . . .
Burning the candle at both ends makes it twice as hard to keep a wife in the dark.

KURTZ — McCULLOCH

Knox United Church, Carstairs, was the scene of a very pretty wedding recently when Lila Jean, second daughter of Mr. and Mrs. J. C. McCulloch, of Didsbury, became the bride of Mr. George William Kurtz, son of Mr. and Mrs. J. E. Kurtz, of North Surrey, B.C. Rev. A. Magee performed the double ring ceremony.

Given in marriage by her father, the bride looked lovely in a ballerina length gown of lace and crystal charm, styled in the empire line with scalloped neckline and cap sleeves. Her bouffant skirt, with lace insets, was ornamented with tiny bows, as was her matching cap. She wore lace mitts and carried a cascade bouquet of red roses; her only jewellery was a necklace, with matching earrings, a gift of the groom.

The bride's sisters, Mrs. Howard Krebs, as matron of honor, and Miss Annie McCulloch, as bridesmaid, wore waltz-length gowns of green and pink nylon chiffon respectively. They wore matching feather caps and carried bouquets of yellow and white carnations.

The groom's brother-in-law, Mr. Louis Aiello, was best man and the guests were ushered by Mr. Howard Krebs and Mr. Arnold McCulloch. Soloist was Mrs. Arnold McCulloch, accompanied by Mrs. George Shaw at the organ.

The bride's mother wore a two-piece beige floral dress complemented with a pink rose corsage. The groom's mother wore a navy blue dress and her corsage was also of pink roses.

Following the ceremony a reception was held for 78 guests in the church parlors. The toast to the bride was proposed by the bride's uncle, Mr. Louis McCulloch, to which the groom responded.

The happy couple left for a honeymoon to the west coast, following which they will make their home at Prince Rupert, B.C.

Out-of-town guests were from North Surrey, B.C., Edmonton, Jasper, Calgary, Innisfree and Irricana.

DID YOU KNOW ???

Some people never hit the mark because they never have the fortitude to pull the trigger.

CHRISTIAN SCIENCE

The effectiveness of prayer in healing the sick will be stressed at Christian Science services Sunday in the Lesson-Sermon entitled "Matter."

From the Gospel according to St. Mark will be read the healing by Christ Jesus of the young lad who had "a dumb spirit." The account ends in Jesus' comment to his disciples, "... This kind can come forth by nothing, but by prayer and fasting." (Mark 9:29).

Also emphasizing the power of prayer are passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (15:9): "To enter into the Heart of Prayer, the cost of the erring senses must be closed. Lips must be mute and materialism silent, that man may have audience with Spirit, the divine Principle, Love, which destroys all error."

DIDSBURY NEWS

M.V.B.C. NEWS

(From Our Own Correspondent)

The missionary seminar, under the direction of Rev. Richard Reilly came to a close on Friday, after which the director left by plane for Indiana. This was a most revealing seminar, in that problems and conditions on the mission field were carefully discussed and young people desiring to go into this field of religious endeavor will be conscious of the problems facing them. Rev. and Mrs. Bontrager, from Nigeria, Africa, were also on campus for one day. They are beginning their deputation work in the conference also and will be guests of the college again before they leave.

Gospel Service League teams were out again on Sunday. Additional to these, Rev. Taylor and Mr. and Mrs. Ormand Shierck and Mr. Ray Stauffer were engaged for a service at the New Raven Gospel Mission on Sunday evening. This group has a real ministry in song and their services have been requested a number of times this winter.

On Monday, Mr. Witt, choir director, had an all-day session with the choir while other classes were suspended for the day. This is a yearly practice and the choir gains much by having such a day before they begin their deputation in the conference. They will visit most of the fields during the month of April.

On Friday afternoon the Student Centre was the busy place on the campus. The reception for the Traub-Braley wedding was held there, and it was a well-attended affair. What a wonderful addition this has been for our campus. Over 100 guests were accommodated with ease, and the place was nicely decorated for the event.

Did any of you hear the "Songs of the Good News" (dial 910) on Sunday morning at 8:45? We would like to hear your criticisms or commendations, for we are anxious that this program shall be of real worth to the listening public. It is a new venture and adds additional cost to the radio work of the church, but it is believed it will cover a much greater area than the one from CKXL which is also on the air each Sunday at 7:30 a.m.

TRAUB — BRALEY

The United Missionary Church was the scene of a very lovely wedding on Friday, March 13, when Treva Braley, daughter of Mr. and Mrs. Alton Braley, was united in marriage to Mr. Kenneth Traub, third son of Rev. and Mrs. H. A. Traub, all of Didsbury. The ceremony was conducted by Rev. D. M. Taylor, assisted by the groom's father.

The bride was lovely in a floor-length gown of lace over taffeta; her coronet held in place a waist-length veil. She carried a cascade bouquet of American Beauty roses as she entered the church on the arm of her father. The groom advanced to meet her and they took their place before the altar.

The bride was attended by Miss Caroline Snyder as maid of honor; bridesmaids were Miss Joyce Traub, sister of the groom, and Miss Eloise Spreeman. They wore identical gowns of blue taffeta brocade and head bands and carried basket arrangements of pink carnations.

The flower girl was little Miss Betsy Kirk, whose mother, Mrs. C. Kirk, played the wedding music. The ushers were Mr. David Traub and Mr. Wayne Stauffer.

Attendants of the groom were Mr. Wayne Shantz, Mr. Lavern Traub, brother of the groom, and Mr. Murray Falk, cousin of the groom. During the ceremony Mr. Ormand Shierck sang, "The Wedding Prayer," and "O Perfect Love," during the signing of the register.

The mother of the bride wore a blue crepe gown with beige accessories and a corsage of American Beauty roses. The mother of the groom also wore blue crepe with accessories of rose and a corsage of yellow roses.

The reception was held in the M.V.B.C. student centre, where over 100 guests sat down to a luncheon served by a group of young people, associates of the bride and groom.

For her honeymoon the bride wore a two-piece blue costume. On their return they will live in their beautiful new trailer home wherever the summer months.

Westcott News

(From Our Own Correspondent)

Mr. and Mrs. Wilbert Papke of Big Prairie were supper guests recently with Mr. and Mrs. Herbert Goetjen. Mr. Papke attended a civil defence meeting in Didsbury while here.

Mr. Gordon Ford has been under doctor's care of late, but it is reported he is improving in health, although he is still wearing a cast on his knee.

Mrs. Baudistel Sr. has returned home following a few days holiday in Calgary.

It has been reported by many that they have seen gophers and starlings — sure signs of spring?

Congratulations to Mrs. Clarence Reinhart whose picture in the section art exhibit, last Saturday was awarded a prize.

Mr. and Mrs. Clarence Reinhart spent Sunday at the home of Mr. and Mrs. Bob Patchell at Cremona.

On Wednesday evening of last week a large crowd gathered at the Westcott school to honor Mr. and Mrs. Clarence Larson and family who moved recently to the Melvin district. Mr. Raymond Shantz acted as master of ceremonies for the occasion. The evening was spent playing cards. Before the lunch hour the Mr. presented Mr. and Mrs. Larson with a purse of money.

Congratulations to Mr. Robert Wilschusen, who won the gun that the Fish and Game Association gave for the highest number of "magical" feet turned in last season.

Best wishes to Mrs. Howard Robertson, who is a hospital patient.

A number of ladies from this district have been gathering at the Cliff Ekstrand home, where they have been quilting for the W.I.

TOM SCOTT LEAVING CALGARY

Soon we will be saying au revoir to one of the best known figures around Calgary — "Y" when Tom Scott travels east to Chicago to attend George Williams College. There he plans to prepare himself for a life as a Y.M.C.A. secretary.

Tom is a native Albertan, being born and raised on a farm west of Didsbury. He had his early schooling in a country school and attended high school in Didsbury, spending his summers clerking in one of the local grocery stores and also doing some farming.

Since then he has had a varied career including teaching at Henderson's Secretarial School, working for Husky Oil for 3 years and presently with C.I.L.

While at Husky Oil, Tom took six months leave of absence to attend Naramata Christian Leadership Training School from which he graduated with honors.

A member of the United Church, Tom has held various offices in the Youth Peoples Association, being president of Calgary Presbytery one year.

During his three years at the Y, Tom has crammed in many hours of service, acting as a leader, teaching crafts, supervising the Boy's Department on Saturdays, sitting in on Young Adults Club meetings, M.C.ing dances, counselling members and helping in many other ways. Calgary "Y" is indeed indebted to Tom for the time and effort he has put into his job as assistant program secretary.

Little Items of Local Interest

Mr. Alf Brusso, who has been visiting in Ottawa with his son and family, underwent a serious operation while there. Complications set in and he is reported to be still on the danger list in the eastern hospital.

Mr. Harry W. Gabel spent last week in Calgary with his son and family and visited with some old friends.

Mr. and Mrs. Wm. Geres of Edmonton were weekend guests of Mr. and Mrs. G. O. Peeg; they also visited with Mr. and Mrs. Harold Peeg and family.

Mr. and Mrs. Don Freeman of Edmonton, Mr. and Mrs. Bruce Freeman of Brooks, and Mr. and Mrs. Jack Freeman of Calgary were weekend guests of Mrs. N. Freeman.

Mr. C. E. Reiber was a visitor with the George Law family in Calgary last weekend.

Miss Vivian Battle and Miss Lynn Kossowan, of the University hospital, Edmonton, were weekend guests with Mr. and Mrs. J. Kossowan.

Mrs. Ed Ford is in Calgary this week attending a provincial executive meeting of the L.O.D.E.

Miss Marlene LeGrand of Edmonton accompanied her parents to Calgary for the weekend.

Mr. and Mrs. R. Dawkins were weekend visitors with Mr. and Mrs. A. R. Kendrick.

Mr. and Mrs. W. Dobbin returned Monday from an extended vacation trip to Los Angeles, where they visited their son-in-law and daughter. Mr. and Mrs. E. Helwick and family.

WESTERDALE NEWS
(From Our Own Correspondent)

The March meeting of the Willing Workers was held at the home of Mrs. W. Herbert last Wednesday afternoon, when 14 members and two visitors were present.

Roll call was answered with "Items about St. Patrick."

Mrs. W. Herbert, Mrs. L. Jones and Mrs. D. Herbert were appointed to purchase supplies for the sale of lunch at the Bert Radford Sale.

Members agreed to contribute either three dozen donuts or cup cakes for the sale.

It was suggested that we consider renovating the picnic stand for the holding of card parties.

A military whist party will be held at the hall on Monday, March 16, if weather permits, otherwise the party will be held at the home of Mr. and Mrs. B. Kershaw.

Arrangements were made to hold a Bingo party at the hall on April 4th. Prizes to be purchased by the club.

A motion was passed to postpone the entertainment for the husbands until April 8th at which time it will be held at the home of Mr. P. Moore.

The hostess prize was won by Mrs. Stan Jackson.

Miss Barbara Jackson and Miss Marion Jackson spent the weekend at their respective homes.

Mrs. L. Jones and Mrs. F. J. Jackson were Calgary visitors on Friday.

Nine tables of military whist were in play at the hall on Monday, when Mrs. J. E. Bolton and Mrs. A. R. Jones were hostesses. The successful defenders were Mrs. S. Statham, Mrs. L. Steeves, Mr. W. Wigley and Mr. Stan Jackson. Mrs. Stan Jackson went to Calgary with Mr. and Mrs. W. Herbert on Tuesday.

CARD OF THANKS

On behalf of the Students' Union of the Didsbury High School, I would like to thank the public for their support of the Carnival Queen contest. I would like personally to thank my colleagues in the Grade 9A room for their support in helping me win this honor.

MARYLEE MCCOY

LONE PINE W.I. HOLD
MARCH MEETING

Lone Pine W.I. held its March meeting at the home of Miss Merle Siebert with 13 members and one visitor present.

Roll call was answered by "My Biggest Beef." Donations of flannellette are to be made into layettes. Mrs. K. Wood reported \$13.35 proceeds from the card party held at her home on February 17. Ads for the Biennial Report Book will be solicited by Mrs. J. Underhay.

Mrs. O. Milne turned in \$2.25 from sale of cook books. Mrs. A. Hughes gave her paper on Citizenship the topic being the life of Olive Evangelina Diefenbaker. \$10 of fun given by Mrs. J. Underhay was won by Mrs. Roy Milne, who had the most number of articles in her purse. The ten cent draw which netted \$140 was won by Mrs. S. Brander.

The next meeting will be held on April 8th at the home of Mrs. A. Thompson.
